Artist Statement: Explain to the jury how you create your work and what makes it unique. We are looking for process, not philosophy. Please limit this statement to approximately 100 characters or less. Silent Auction Donation: Every year we have a silent auction to fund scholarships for young artists in the Wilsonville/West Linn School Districts. Donations are made by artists, authors, and sponsors. This year it will be one day only on Saturday June 2nd. Please check here [if you can donate a piece of art for the silent auction](#). We will then contact you regarding your contribution. We will display full information about your art along with your booth location in the silent auction.
