#### **MARIACHI VIVA MEXICO**

**Saturday, July 16, 10:00am**

Mariachi Viva Mexico was founded by Humberto Guillen in 1994. Humberto is originally from Guadalajara, the capital of Jalisco Mexico, where this incredible music originates from. Since then, this Mariachi has performed in many social events and celebrations such as festivals, fairs, and sporting events throughout the Northwest and Western United States. Mariachi Viva Mexico has also been invited to participate in many important musical projects including the recording and composition of the music to a nationally televised Nike commercial. This musical trajectory has opened up opportunities to do the live musical accompaniment of many of the top

Latin Mariachi artists in the world. On this list are: Antonio Aguilar, Pepe Aguilar, Paquita La Del Barrio, Jenny Rivera, Pablo Montero, Ezequil Peña, Beatriz Adriana, Juan Valentin and Lupillo Rivera. Mariachi Viva Mexico is delighted to share the music of Mexico with the public and always brings the passion and joy of this enchanting genre to all their performances.

#### **GRUPO FOLKLÓRICO DE COLORES**

**Saturday, July 16, 10:00am**

Wilsonville's own Grupo Folklórico de Colores is directed by Amada Lopez and features primary, mid-level, and high school youth from Wilsonville's schools. They have regularly performed at the high school's Día de los Muertos Festival, the WLWV District Art Show, and WACC's Wilsonville Festival of Arts. We are ecstatic to have them grace the stage at this year's Summer Performance Series!
